

# LPV-20-24

|                 |           |                     |          |
|-----------------|-----------|---------------------|----------|
| Dim             | on/off    | IP                  | IP67     |
| Dimensions      | 118x35x26 | Kleur               | Wit      |
| Driver Type     | Voltage   | Material Housing    | Plastiek |
| Efficiëntie     | 88%       | Max. connected Load | 20W      |
| Forward Voltage | 24VDC     | Output Current      | 0,84A    |
| Frequency       | 50Hz      | Voltage             | 24V      |
|                 |           | Weight              | 220g     |

Reference : 000020539

## Product Description
